Dear 4-Her,

It is time to think about Camp Leadership! Members who have completed the 8th and 9th grade are eligible to serve as a Counselor-in-Training (CIT) at camp this year. CITs have added leadership responsibilities at camp. This is an important step in becoming a camp counselor. The training process for CITs is very simple. There are two required classes:

Orientation – if you completed 8th grade this year, you will take this class that introduces you to the camp counselor process and expectations for CITs.
Leadership – if you completed 9th grade this year, you will take that class that helps develop the leadership skills required to be a camp counselor.

There are TWO opportunities for training this year:
June 24 – Orientation from 10:00-11:30 a.m., Leadership from 1:00 – 2:30 p.m.
July 8 – Orientation from 1:00 – 2:30 p.m., Leadership from 10:00 a.m. – 12:00 p.m.

All classes will be held at the OSU Extension Office.

Please register for your CIT class at [http://go.osu.edu/hardincit](http://go.osu.edu/hardincit) by June 20th.
