Farm Bill Programs Breakfast

Hardin County – The 2023 Conservation Tillage Club breakfast program series will conclude Thursday, February 23 at the Plaza Inn Restaurant in Mt. Victory. The session will start at 7:30 am with a complimentary buffet breakfast followed by the program at 8:00 am.

The February 23 program will feature both Megan Burgess, District Conservationist, USDA-NRCS Hardin County and Leisha Billenstein, District Conservationist, USDA-NRCS Logan County speaking about the Farm Bill Programs available to local producers in 2023. Information shared will include programs, benefits, who is eligible, how it works, how to apply, along with more information about cost sharing and payment rates. Since these are federal programs, information provided will be based on what is available at the current time for Ohio and surrounding counties. Additional information can be found on the USDA farmers.gov website.

The Conservation Tillage Club breakfast program series is jointly sponsored by OSU Extension and the Soil and Water Conservation Districts of Hardin, Logan, and Union Counties, and in cooperation with the USDA Natural Resources Conservation Service. Breakfast is courtesy of the generous support from agricultural lenders and agricultural businesses. All events are open to the public and no advance registration is required. Continuing education credits for Certified Crop Advisers are available.
