For Immediate Release – April 28, 2022

Master Gardener Annual Plant Sale

Hardin County – The 17th Annual Hardin County Master Gardener Plant Sale will be from 10:00 am – 12:00 pm on Saturday, May 14 rain or shine at the Friendship Gardens of the Hardin County. The Friendship Gardens of Hardin County is located behind the old HARCO Workshop Building, 960 W Kohler Street in Kenton. Follow the signs to the parking that is available at the garden.

In addition to plants and garden items supplied by the Hardin County OSU Extension Master Gardener Volunteers, there will also be the Hardin County Men's Garden Club and vendor Star Farms Native Plants at this annual event with plants for sale. In the past, the public has been able to find a wide choice of their favorite flowers, bedding plants, roses, herbs, trees and various other potted plants at this event.

Sharing from their own knowledge and experience, gardeners from the OSU Extension Hardin County Master Gardener Volunteers, Hardin County Men's Garden Club and vendor Star Farms Native Plants will be on hand to answer questions and provide advice for a successful gardening year.

Make sure you put Saturday, May 14 on your calendar to attend. Hopefully the cold weather will be gone and temperatures will be more suitable for planting by the date of this year's plant sale. The OSU Extension Hardin County Master Gardener Volunteers look forward to seeing you at the Friendship Gardens after two years without a plant sale due to the pandemic. Come early as noted in the past, the event has been popular and plants go pretty fast. So, bring your boxes and wagons, and get your green thumb on for the new planting season!
