For Immediate Release – December 30, 2021

**Master Gardener Volunteer Training Offered**

*Hardin County* – The Hardin County OSU Extension Master Gardener Volunteers will host a Master Gardener Volunteer training course for new Master Gardener Volunteers this winter. The Ohio State University Extension Master Gardener Volunteer Program provides intensive training in horticulture to interested Ohio residents who then volunteer their time assisting with educational programs and activities for Ohio residents through their local Ohio State University Extension county office. Volunteers are not required to have gardening skills or knowledge; but a passion for learning about gardening and sharing this knowledge with others is a must!

Training will be a combination of a self-paced online course combined with in-person classes held at the Hardin County Extension office beginning with orientation on Tuesday, January 25 from 6:00-9:00 pm. Other scheduled in-person classes are February 1 and 15, March 1, 15, and 29 from 6:00-9:00 pm. Additionally, new interns will gain hands-on training working alongside current Master Gardeners at the Friendship Gardens in Kenton. Spring garden seminars will be an option for meeting training requirements. The training course is open to interested volunteers from any county with the volunteer commitment to be completed in the volunteer’s home county program.

Specialists from the Ohio State University Extension and experienced Master Gardener Volunteers will be teaching sessions along with some local experts. Some topics include botany, soils, entomology, plant pathology, plant propagation, herbaceous and woody ornamentals, lawns, vegetables, herbs, fruit, pollinators, integrated pest management, pesticide safety, backyard wildlife, houseplants, and therapeutic horticulture.

The cost of the training is $150.00 and includes the training manual and materials for the class. There is also a requirement for a background check at the volunteer’s expense. The program requires 50 hours of classroom training and a commitment of 50 hours volunteer time to become a certified Master Gardener Volunteer.

Registration deadline is January 18. More information is available at https://mgvolunteers.osu.edu or by calling Mark Badertscher at 419-767-6037 at Hardin County OSU Extension. For more information about the Hardin County OSU Extension Master Gardener Volunteers, visit their Facebook page.
