

Equine Reproduction and Genetics Project Book 4-H 185

As an Advisor, Parent, Project Helper or Judge this list will be useful in ensuring each member finishes required records and book work and prepares the child for judging, and culminates in being able to show at the Hardin County Fair. This project is for the **Advanced** Level Member of at least 14 years of age to 18 years of age.

As a first year member in this Equine Reproduction and Genetics project the following books will be necessary to complete the project and will then be used for all of the levels listed above. **Equine Reproduction and Genetics Project & Record Book 4-H 185, Uniform Rules for 4-H Horse Show 4-H 179, & Equine Record Book 4-H 190R. Horses, Safety and You 4-H 191R is also a required reference for all levels of Horse Projects. Books can be used multiple years with added inserts for repeatable activities.** (These books can be purchased at your Hardin County Extension Office located at 1021 W. Lima St., Suite 103. Kenton, Ohio.43326. PH: 419 674-2297)

Equine Reproduction and Genetics Project Books can be used multiple years with added inserts for repeatable activities; however Equine Record Books must be bought each year per project animal. *

The following guidelines are for what they need to have to complete their project books and be prepared for the interview process and end with culmination of the fair.

Advanced: If this is your first year in the project, all sections required for “advanced” level must be completed, as well as a five to ten minute presentation (poster, portfolio, electronic). If you have taken project previously, must have records (electronic or book) completed to turn in

Animal or animals needs to be in your possession by the following date: _____

Attend a Quality Assurance Training: (only need to attend one) Available Dates are:

*** Anything that is marked with a v is mandatory to be done.* * If project is taken more than once different activities should be completed from previous project years.***

The following are the specific requirements for the Equine Reproduction and Genetics Book

Objectives from the National 4-H Council (Pg. 6) Read

Member Project Guide (Pgs. 7-20) (Read and Plan your project activities for the year)

Planning Your Project (Pg. 8) Steps 1-4

Step 1& 2:

- **Step 1: Interest Areas** (Explore all 3 before picking your 1 interest area to complete for this project year) **Document Start Date**
 - **Equine Breeding Principles** (Pgs. 21-45)
 - **Mare and Foal Management** (Pgs. 45-55)
 - **Genetics** (Pgs. 56-70)
- **Step 2 Part One**

Things To Do

Have Parents/Helpers or Advisors Initial & Date when completed
