

# Less Stress Plan

By: Amanda Raines

| Stressful Camp Situation | Why does it stress me out? | One thing I can do BEFORE camp to alleviate this stressor. | One thing I can do DURING camp if I become stressed due to this stressor. | One thing another counselor or adult can do to help me when this situation stresses me out. |
|--------------------------|----------------------------|--|---|---|
|                          |                            |  |   |   |
|                          |                            |  |   |   |
|                          |                            |  |   |   |
