

Rabbit Exhibitors,

We are officially one week away from the Hardin County Fair. Here are a few important reminders:

1. **DUNF** – only market rabbits need to complete this. **Drug Use Notification Forms must be completed by Saturday, September 2. You must complete this form ONCE for your pen of 3 market rabbits. The form will ask for your animal tag number or identifier. Since all market rabbits have the same tattoo, you will use *your* initials and birthdate as the identifier. A correct identifier will look like this: AR12191999.**
2. Weigh-in for market rabbits will be on Monday, September 4<sup>th</sup> at 5:30 in the small animal arena.
3. Exhibitors are responsible for providing their own cage risers.
4. All market animals will complete a destination form at the scales on Monday. This form tells the sale committee if you will be taking your market animal home or if it will be going to the packer. Please be prepared in advance to fill out this form.

Remember to read all the Rabbit department rules on pages 56-58 of the [Hardin County Fair Book](#).
