### **West Central Ohio Hay Day**

*Hardin County* – Join Ohio State University Extension and Channel Equipment on July 6th for the West Central Ohio Hay Day, sponsored by the Champaign and Clark County Farm Bureaus, and Americas Trusted Insurance Group. The event will take place on the Southeast corner of South State Route 68 and W. Dallas Road, Urbana. Otherwise, go to Channel Equipment at 338 W. Dallas Road, Urbana, and follow the signs. The day will begin at 10 am with talks from Extension personnel on various aspects of growing, making, storing, and feeding quality hay.

Insurance representatives will also be speaking on some new offerings available to hay and forage producers. Lunch will be provided by Fresh Harvest food truck and will be free for those registered by July 1 thanks to the support of our sponsors. The afternoon will be filled with equipment demonstrations from Krone and H&S company representatives. There will also be door prizes provided by generous donations from area vendors for those that register by July 1st.
