

Dear Parent/Caregiver,

Giving your child a great start in life is about to get much easier!

As part of supporting our community, we believe in supporting every parent and caregiver. That's why we're part of this new Ohio program that gives every family access to FREE online parenting support.

Research shows that positive parenting gives many benefits to children – that last a lifetime. Emotional resilience, problem-solving skills, and healthy self-esteem, for example. This proven parenting approach also makes life less stressful for you, too.

Being a positive parent is a lot easier when you can choose from range of different strategies. Now, you can access one of the world's favorite parenting programs, FREE and online. **Elsewhere in the USA, this program costs \$84.95. However, thanks to the Ohio Children's Trust Fund and other state partners, Triple P Online is now FREE to all Ohio parents and caregivers.**

There's no catch! With this program, you will get the full toolkit of Triple P's 17 proven parenting strategies. So make the most of these crucial years and start your positive parenting journey today!

Best regards,
